LA COLLECTION FRAGRANCES

opal ruby jade pearl

opal

This luscious scent, combining Tahitian vanilla, strawberry and honey, is bursting with ripe berries to create a super sweet fragrance.

ruby

Base notes of sandalwood and white cyclamen accentuated by top notes of ylang ylang and mimosa. This delicious scent is sweet and oriental, with a slight hint of rose and vanilla.

jade

A warm, woody scent charged with citrus and various fruits and herbs. Powerful and revitalising.

pearl

A clean, fresh scent combining pink grapefruit, musk and yellow rose, to capture purity and sensuality. Think Champagne and roses.
